Subject: Federal BDCP Briefing for NGOs

With apologies that I may not have gotten the right array of invitees on this email, I have tentatively scheduled a conference call for this Thursday, May 31st, at 6:00 pm EDT/3:00 pm PDT to discuss BDCP. If I have omitted anyone critical, please give them the call info, but do not forward the invite to anyone else. This appears to be the earliest time at which we can potentially get a critical mass of federal reps on the phone.

Call-in no.: 866-616-8702

PC: 192 0145

It would be helpful if my Federal colleagues can confirm with me whether or not they can participate, as I would like to have representation from all our agencies if possible.

Thanks,

Letty

Letty Belin

Counselor to the Deputy Secretary

U.S. Department of the Interior

which may be a computer program. This attached computer program could
contain a computer virus which could cause harm to EPA's computers,
network, and data. The attachment has been deleted.

This was done to limit the distribution of computer viruses introduced
into the EPA network. EPA is deleting all computer program attachments
sent from the Internet into the agency via Email.

If the message sender is known and the attachment was legitimate, you
should contact the sender and request that they rename the file name
extension and resend the Email with the renamed attachment. After
receiving the revised Email, containing the renamed attachment, you can
rename the file extension to its correct name.

For further information, please contact the EPA Call Center at
(866) 411-4EPA (4372). The TDD number is (866) 489-4900.
